Sir:

Applicants respectfully petitions to revive the above-identified application, which was unintentionally abandoned by failure to provide the full U.S. basic national fee by 30 months (27 CFR 1.495(b)(2)). The unintentional failure to pay the full U.S. basic national fee resulted from an inadvertent clerical error.

Submitted herewith is the full basic national fee of \$1,110.00 and the Petition to Revive fee of \$1,370.00.

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. It is understood that the United States Patent and Trademark Office may require additional information if there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137(b) was unintentional (MPEP 711.03(c)(III)(C) and (D)).

In view of the submission of this Petition and the payment of the appropriate fees, it is respectfully requested that the national stage application be returned to pending status and that the Notification of Missing Requirements be issued.
